A round stress ball is a versatile and classic stress-relief accessory. Its spherical shape allows for easy gripping and squeezing, providing a simple yet effective way to alleviate tension and stress. Whether you're at your desk, in a meeting, or just taking a break, the round stress ball offers a portable and compact solution to help you unwind and regain focus.

Product Size : 7cm

HXD-002

The square stress ball is a modern take on the traditional stress-relief tool. Its geometric shape provides a unique tactile experience, allowing users to target stress points with precision. The square stress ball is designed to fit comfortably in the palm of your hand, offering a different sensation compared to the round variety. Ideal for those who appreciate a more structured and ergonomic stress-relief solution.

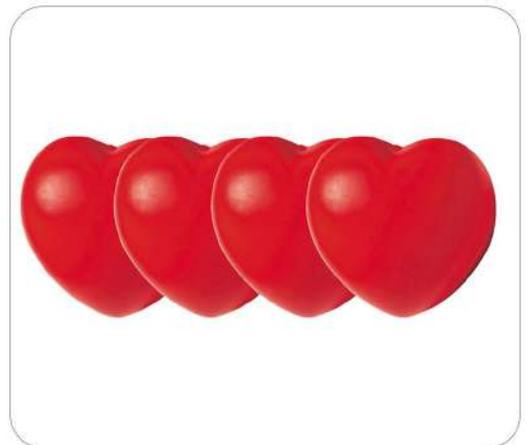

Product Size : 5.3x5.3 cm

HXD-003

Bring a dose of positivity to stress relief with a smiley faced stress ball. Shaped like a cheerful emoji, this stress ball adds an element of fun to the tension-reducing experience. Squeezing the smily faced stress ball not only helps release stress but also brings a smile to your face. This playful and lighthearted stress-relief tool is perfect for lifting spirits during challenging moments, reminding you to approach stress with a positive mindset.

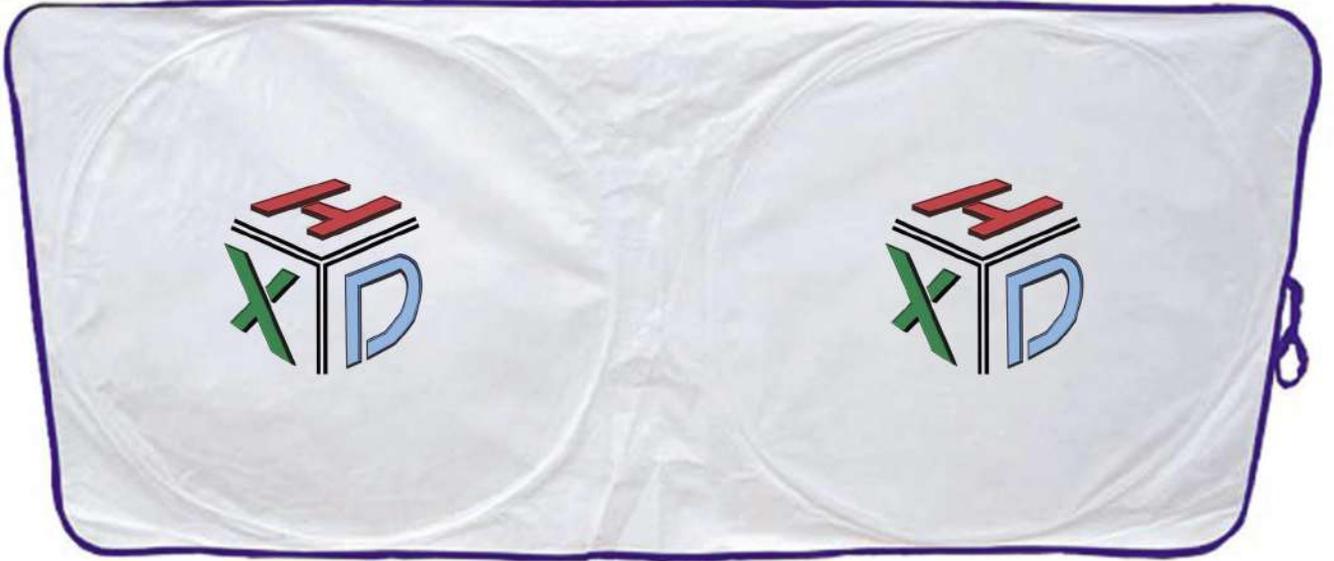

Product Size : 7cm

HXD-004

Express your love for stress relief with a heart-shaped stress ball. The gentle curves of this stress ball not only provide comfort when squeezed but also add a touch of emotion to the stress-relief experience. Perfect for occasions when you want to convey a sense of care and affection while managing stress. The heart-shaped stress ball is a thoughtful and heartwarming alternative to the traditional stress-relief options.
